The Mallard

Last season I had reason to comment on how few ducks there had been; no such issues this year.

NOT on the list is Symo who has now gone four seasons without a duck, neither are Matty or Chris Rudling who only register ducks in 4% of their innings, and especially not Jono who last fell for a duck in 2006, a run of 59 innings.

1

Gary Booker*(2017)	Dan Houseman	Chike Okonkwo
James Church	Pratik Kothari	Will Simpson*(2018)
Justin Fanstone	Richard Murphy	Chris Strange

2

Jason Withers (finished the season with successive ducks)

3

Sam Bennett (9 innings)
Charlie Cox (18 innings)
Chris Stubbs (7 innings)
Dave Wood (12 innings)

Stubbsy is excused this honour as one of his ducks was down to the suicidal calling of Jono at Turville.

Charlie, the clubs all-time record duck scorer is ruled out on count back as he batted more than the other candidates

Sam Bennett, a winner in 2015, makes it to the final on count back (3 in 9)

However for his golden duck that started the season, a three baller in the third match and the king of them all a platinum duck from the first ball of the match against Hailey – your winner is.....Dave Wood
